Mr. Tom Singleton
Roklin Systems Inc.
20541 Pascal Way
Lake Forest, CA 92630

Dear Mr. Singleton:

The California Department of Transportation (Caltrans) has reviewed the following product for possible use in concrete slab stabilization:

<u>Product</u>	<u>Tracking Number</u>
Concrete Welder, CW	NPE 09-07-006

The Pavement Related New Product Needs Assessment Committee (PRNP-NAC) has determined the following:

- The use of this product would be at the discretion of the District Maintenance Supervisors on a project by project basis. All Maintenance staff need to be advised this product contains isocyanates (highly toxic) thus, following Caltrans Code of Safe Operating Practices (CSOP) and use of personal protective equipment (PPE) requirements are needed.

The vendor must include a copy of the Material Safety Data Sheets (MSDS) and Caltrans CSOP with all deliveries made to Caltrans for this product.

Should you have any technical questions, please contact Hamid Moussavi (PRNP-NAC Chair) in Caltrans Division of Pavement Management, Office of Investigations. Mr. Moussavi can be reached at (916) 274-6176.

Should this product be proposed for use on any Caltrans project, it would be the supplier's responsibility to make sure the product complies with all the local water and air quality requirements.

Product review and acceptance or approvals do not constitute an endorsement of this product by Caltrans.

Mr. Tom Singleton
